BIRD BATH

OBJECTIVES

- To attract birds in your space
- To start conversation with our feathered friends
- To be productive and reuse the materials available at home

MATERIALS REQUIRED

- Used bowl or pot
- Water resistant health friendly paints and brushes

PROCEDURE

- Clean the bowl or pot or the material you are using as a vessel thoroughly
- Use the colors to paint the vessel.
- Let it dry and then add water into it. You can also add some pebbles and stones
- Place it in your garden or terrace
