

BALLOON GAME

For age group: 2-5

Materials required: **Estimated time:**

Leftover balloons

5-10 minutes

Objective:

Development of concentration

Balloons are used at parties for decorations but it can also be used to play games. So if you have some leftover balloons from a party or event, now is the right time to utilize it.

Blow up a balloon and tell your child to keep it afloat as long as you can. To raise its difficulty level, you can blow up a few more balloons of different colors and tell to keep a balloon of particular color afloat.

You can also play passes with your child.
