

COPYCAT GAME

For age group : 2-5

Materials required:
Music (optional)

Estimated time:
Whenever you're ready!

Objective:
Engagement in physical movement

Copycat game is a very easy and exciting game to play with your children, which is similar to follow the leader but there is no competition. It doesn't require any extra materials.

First, you select a person and then he/she tell the form of movements according to his/her wish and rest of the participants follow the leader's movement. For example, the first person tells "dance", so he/she will do a dance step and rest will follow. Each leader can do their movement up to 3 minutes and after that, another person can be the leader.

You set up your own rules to make the game more enjoyable.
